Plaintiffs,

v.

FEDEX GROUND PACKAGE SYSTEM, INC.
and FEDEX CORPORATION

Defendants.

COMPLAINT

Plaintiffs bring this action against Defendants FedEx Ground Package System, Inc. and FedEx Corporation (collectively, “FedEx”) for violations of the Fair Labor Standards Act (“FLSA”), 29 U.S.C. §§ 201, *et seq.*, as well as under the laws of Alaska, California, Colorado, the District of Columbia, Hawaii, New Mexico, New York, and Washington.

JURISDICTION AND VENUE

1. Jurisdiction is proper under 29 U.S.C. § 216(b) and 28 U.S.C. § 1331.
2. Venue is proper under 28 U.S.C. § 1391(b)(2).

PARTIES

3. Plaintiff Michael Abner is an individual residing in Alabama. Abner worked as a delivery driver for FedEx in Alabama from approximately 2008 to 2020 but was employed through intermediary entities that FedEx calls independent service providers. Abner has been eligible to receive overtime pay under the FLSA because Abner has driven a vehicle weighing less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.

4. Plaintiff James Abrams is an individual residing in Alabama. Abrams worked as a delivery driver for FedEx in Alabama but was employed through intermediary entities that FedEx calls independent service providers. Abrams has been eligible to receive overtime pay under the FLSA because Abrams has driven a vehicle weighing less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.

5. Plaintiff Latasha Abrams is an individual residing in Alabama. Abrams worked as a delivery driver for FedEx in Alabama from approximately 2017 to 2019 but was employed through intermediary entities that FedEx calls independent service providers. Abrams has been eligible to receive overtime pay under the FLSA because Abrams has driven a vehicle weighing less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.

6. Plaintiff Lisa Adams is an individual residing in Alabama. Adams worked as a delivery driver for FedEx in Alabama from approximately 2016 to 2020 but was employed through intermediary entities that FedEx calls independent service providers. Adams has been eligible to receive overtime pay under the FLSA because Adams has driven a vehicle weighing less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.

7. Plaintiff Richard Adams is an individual residing in Texas. Adams worked as a delivery driver for FedEx in Alabama from approximately 2011 to 2020 but was employed through intermediary entities that FedEx calls independent service providers. Adams has been eligible to receive overtime pay under the FLSA because Adams has driven a vehicle weighing less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.

8. Plaintiff Aaron Addie is an individual residing in Alabama. Addie worked as a delivery driver for FedEx in Alabama from approximately 2016 to 2021 but was employed through intermediary entities that FedEx calls independent service providers. Addie has been eligible to receive overtime pay under the FLSA because Addie has driven a vehicle weighing less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.

9. Plaintiff Terence Agee is an individual residing in Alabama. Agee worked as a delivery driver for FedEx in Alabama but was employed through intermediary entities that FedEx calls independent service providers. Agee has been eligible to receive overtime pay under the FLSA because Agee has driven a vehicle weighing less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.

10. Plaintiff Randy Allen is an individual residing in Alabama. Allen worked as a delivery driver for FedEx in Alabama from approximately 2015 to 2022 but was employed through intermediary entities that FedEx calls independent service providers. Allen has been eligible to receive overtime pay under the FLSA because Allen has driven a vehicle weighing less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.

11. Plaintiff Paul Allison is an individual residing in Alabama. Allison worked as a delivery driver for FedEx in Alabama from approximately 2015 to 2020 but was employed through intermediary entities that FedEx calls independent service providers. Allison has been eligible to receive overtime pay under the FLSA because Allison has driven a vehicle weighing less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.

12. Plaintiff Brittany Andrews is an individual residing in Alabama. Andrews worked as a delivery driver for FedEx in Alabama from approximately 2018 to 2024 but was employed through intermediary entities that FedEx calls independent service providers. Andrews has been eligible to receive overtime pay under the FLSA because Andrews has driven a vehicle weighing less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.

13. Plaintiff Quenthia Austin is an individual residing in Alabama. Austin worked as a delivery driver for FedEx in Alabama but was employed through intermediary entities that FedEx calls independent service providers. Austin has been eligible to receive overtime pay under the FLSA because Austin has driven a vehicle weighing less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.

14. Plaintiff Francistony Axell is an individual residing in Alabama. Axell worked as a delivery driver for FedEx in Alabama from approximately 2014 to 2018 but was employed through intermediary entities that FedEx calls independent service providers. Axell has been eligible to receive overtime pay under the FLSA because Axell has driven a vehicle weighing less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.

15. Plaintiff Richard Baggett is an individual residing in Texas. Baggett worked as a delivery driver for FedEx in Alabama from approximately 2014 to 2016 but was employed through intermediary entities that FedEx calls independent service providers. Baggett has been eligible to receive overtime pay under the FLSA because Baggett has driven a vehicle weighing less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.

16. Plaintiff Ramaade Bailey is an individual residing in Alabama. Bailey worked as a delivery driver for FedEx in Alabama from approximately 2020 to 2024 but was employed through intermediary entities that FedEx calls independent service providers. Bailey has been eligible to receive overtime pay under the FLSA because Bailey has driven a vehicle weighing less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.

17. Plaintiff Shonte Baltes is an individual residing in Alabama. Baltes worked as a delivery driver for FedEx in Alabama from approximately 2018 to 2022 but was employed through intermediary entities that FedEx calls independent service providers. Baltes has been eligible to receive overtime pay under the FLSA because Baltes has driven a vehicle weighing less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.

18. Plaintiff Derek Barber is an individual residing in Alabama. Barber worked as a delivery driver for FedEx in Alabama from approximately 2014 to 2021 but was employed through intermediary entities that FedEx calls independent service providers. Barber has been eligible to receive overtime pay under the FLSA because Barber has driven a vehicle weighing less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.

19. Plaintiff Jasmine Barge is an individual residing in Alabama. Barge worked as a delivery driver for FedEx in Alabama from approximately 2016 to 2018 but was employed through intermediary entities that FedEx calls independent service providers. Barge has been eligible to receive overtime pay under the FLSA because Barge has driven a vehicle weighing

less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.

20. Plaintiff Vickie Barlow is an individual residing in Alabama. Barlow worked as a delivery driver for FedEx in Alabama but was employed through intermediary entities that FedEx calls independent service providers. Barlow has been eligible to receive overtime pay under the FLSA because Barlow has driven a vehicle weighing less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.

21. Plaintiff Jaris Barner is an individual residing in Alabama. Barner worked as a delivery driver for FedEx in Alabama from approximately 2021 to 2022 but was employed through intermediary entities that FedEx calls independent service providers. Barner has been eligible to receive overtime pay under the FLSA because Barner has driven a vehicle weighing less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.

22. Plaintiff Jessa Barnes is an individual residing in Alabama. Barnes worked as a delivery driver for FedEx in Alabama from approximately 2018 to 2020 but was employed through intermediary entities that FedEx calls independent service providers. Barnes has been eligible to receive overtime pay under the FLSA because Barnes has driven a vehicle weighing less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.

23. Plaintiff Jodie Barnett is an individual residing in Alabama. Barnett worked as a delivery driver for FedEx in Alabama but was employed through intermediary entities that FedEx calls independent service providers. Barnett has been eligible to receive overtime pay

under the FLSA because Barnett has driven a vehicle weighing less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.

24. Plaintiff Aaron Barron is an individual residing in Alabama. Barron worked as a delivery driver for FedEx in Alabama from approximately 2016 to 2019 but was employed through intermediary entities that FedEx calls independent service providers. Barron has been eligible to receive overtime pay under the FLSA because Barron has driven a vehicle weighing less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.

25. Plaintiff Darron Barry is an individual residing in Alabama. Barry worked as a delivery driver for FedEx in Alabama from approximately 2017 to 2018 but was employed through intermediary entities that FedEx calls independent service providers. Barry has been eligible to receive overtime pay under the FLSA because Barry has driven a vehicle weighing less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.

26. Plaintiff Zackary Bates is an individual residing in Alabama. Bates worked as a delivery driver for FedEx in Alabama from approximately 2019 to 2023 but was employed through intermediary entities that FedEx calls independent service providers. Bates has been eligible to receive overtime pay under the FLSA because Bates has driven a vehicle weighing less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.

27. Plaintiff Tracy Bearden is an individual residing in Alabama. Bearden worked as a delivery driver for FedEx in Alabama from approximately 2018 to 2019 but was employed through intermediary entities that FedEx calls independent service providers. Bearden has been

eligible to receive overtime pay under the FLSA because Bearden has driven a vehicle weighing less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.

28. Plaintiff Brittnei Beggs is an individual residing in Alabama. Beggs worked as a delivery driver for FedEx in Alabama from approximately 2019 to 2022 but was employed through intermediary entities that FedEx calls independent service providers. Beggs has been eligible to receive overtime pay under the FLSA because Beggs has driven a vehicle weighing less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.

29. Plaintiff Timothy Beggs is an individual residing in Alabama. Beggs worked as a delivery driver for FedEx in Alabama from approximately 2017 to 2024 but was employed through intermediary entities that FedEx calls independent service providers. Beggs has been eligible to receive overtime pay under the FLSA because Beggs has driven a vehicle weighing less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.

30. Plaintiff David Bentley is an individual residing in Alabama. Bentley worked as a delivery driver for FedEx in Alabama from approximately 2020 to 2022 but was employed through intermediary entities that FedEx calls independent service providers. Bentley has been eligible to receive overtime pay under the FLSA because Bentley has driven a vehicle weighing less than 10,001 pounds but has not received overtime pay for hours worked beyond 40 hours per week.
